Ibn Zoor University: *Ecole Supérieure de Technologie (EST)*, is the main venue where the RIDEF will take place, from 20 to 29 July 2022. The visiting team consisted of members of the CA Fimem, Commission 6 delegate Juan Platero, OC Maroc 2022 representative Lahcen Friks. The visit to the sites was organised by the Secretary General of the Ecole Supérieure de Technologie (EST) in Agadir, which is located in the city centre.

The 1st hall: a large space at the entrance which can be used as a reception room for the Ridéfiens on their arrival.

- The 2nd hall: a large space that can be used for intercultural evenings and/or exhibitions.

The rooms that will be used for the stay of the Rided participants. It is a very nice place with a lot of nature and well maintained.

The rooms are very simple, with beds with good mattresses. There are rooms for 4 and 2 people.

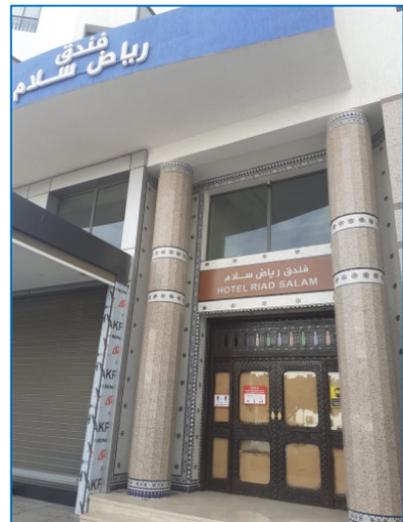

The toilets are adequate and are located in the corridor

The most important general appreciation, is that all rooms are very spacious and very bright, surrounded by nature.

We also saw the high school which can be used as a campsite, it is a very big place surrounded by nature and very close to the university. It can also be used for other activities.

There is also the *Centre de Formation Continue*, a reserve to accommodate Ridefiens if necessary.

The hotels (Senator, Riad Salam, Marjane) are very good. They would be suitable for the elderly or those who can pay a bit more. They are very close to the university, about 600 meters. There is wi-fi in the hotels and in the rooms of the residences
